CONGRESS TAKES A RECESS (Continued from Page Nine)

business, "not as Democrats or as Republicans, but as American representing the people."

Although in not such forceful language Representative Hepburn of Iowa protested against the general permission which had been given to committee to sit during the sessions of the house. Such action, he said, tied the hands of the house and would make it impossible on some occasions to secure a quorum.

Notwithstanding the two protests, the usual permission was granted to committees and after being in session twenty minutes, the house adjourned until January 6.

The senate today passed a bill suspending during the year 1907 the requirement that miners shall do at least \$100 of work annually during the period in which their claims are being perfected. Senate passed without amendment appropriation bill which had previously passed the house, appropriating \$50,000 to replace seed burned at the agricultural department warehouse in this city November 6 last. Senator Cullom introduced a joint resolution proposing amendment to the constitution fixing the terms of the president and vice president to six years. A number of other bills and resolutions were introduced. The senate was in session forty-five minutes.

PRAYS FOR BRYAN.

Remarkable Official Prayer in Oklahoma for Democratic Leader.

Guthrie, Okla., Dec. 21.—The presence of W. J. Bryan in Guthrie today inspired the chaplain of the house to pray that Mr. Bryan might be the next president of the United States. Immediately after the prayer the house broke into a storm of applause that lasted several minutes. Speaker William H. Murray added emphasis to the prayer by putting it as a question to the body. Every Democrat present answered with a rousing "aye." Later the house met with the senate to listen to Mr. Bryan's speech.

Mr. Bryan tonight was the principal speaker at a "dollar dinner" attended by the most prominent delegates at Oklahoma.

In the address to the legislature Mr. Bryan commended Governor Haskell's inaugural address and congratulated the new State on becoming the first to promulgate a banking law providing for a depositors' guarantee fund. He favored election of United States senators by direct vote and declared the president of the United States is a hired man. He referred to the initiative and referendum clause in the constitution as its best feature, and predicted that other States would model their basic law after that of Oklahoma.

He replied to the attack of Secretary of War Taft by saying that he "did not take back his assertion that the Oklahoma constitution is the best in the United States."

Touching on the financial situation and the part taken by President Roosevelt, he said: "This is not the only thing for which I could commend him; but I am especially glad for this, because now I am getting cursed only half as much. He's getting the other half."

The chief difficulty with New Year resolutions is that when the break comes it brings such a headache.

STRONG Again

is what Mrs. Lucy Stovall, of Tilton, Ga., said after taking Kodol for Dyspepsia. Hundreds of other weak women are being restored to perfect health by this remedy. YOU may be well if you will take it.

Indigestion causes nearly all the sickness that women have. It deprives the system of nourishment and the delicate organs peculiar to women suffer—weakens, and become diseased.

Kodol

For Dyspepsia

enables the stomach and digestive organs to digest and assimilate all of the wholesome food that may be eaten. It nourishes the body, and rebuilds the weak organs, restoring health and strength. Kodol relieves indigestion, constipation, dyspepsia, sour risings, belching, heartburn and all stomach disorders.

Digests What You Eat

Relieves indigestion, sour stomach, belching of gas, etc.

Help the Horse
No article is more useful about the stable than Mica Axle Grease. Put a little on the spindles before you "hook up"—it will help the horse, and bring the load home quicker.

MICA AXLE GREASE

wears well—better than any other grease. Coats the axle with a hard, smooth surface of powdered mica which reduces friction. Ask the dealer for Mica Axle Grease.
